Membership Drive 2020

West Plains Council on the Arts (WPCA) is seeking members/patrons to contribute to their efforts in the West Plains area. Board members say, "The West Plains region is home to a vibrant arts community and we feel continuing to grow that vital component is important to quality of life for our residents and for the future of our community."

WPCA, through the years with many dedicated individuals, has been providing support and assistance to arts endeavors in the West Plains area since 1975. Their stated mission is to stimulate and foster public participation in cultural activities, and to disseminate the knowledge and product of such cultural activities to the public in order to broaden the appreciation and availability of the arts in the West Plains region.

WPCA provides educational programs which support innovation and creative expression in the arts; presents artists and art forms that promote artistic and cultural diversity; provides guidance, resources and infrastructure to develop non-profit community-based arts groups; and sponsors festivals, competitions and awards to promote and support artists, and to celebrate and preserve the traditional culture of the region.
