

WEST PLAINS COUNCIL ON THE ARTS GATEWOOD FAMILY FINE ARTS SCHOLARSHIP

West Plains Council on the Arts has been providing support and assistance to arts endeavors in the West Plains area since 1975. Our mission is to stimulate and foster public participation in cultural activities, and to disseminate the knowledge and product of such cultural activities to the public to broaden the appreciation and availability of the arts in the West Plains region.

WPCA provides educational programs which support innovation and creative expression in the arts; presents artists and art forms that promote artistic and cultural diversity; provides guidance, resources, and infrastructure to develop non-profit community-based arts groups; and sponsors festivals, competitions and awards to promote and support artists, and to celebrate and preserve the traditional culture of the region.

WPCA, in cooperation with the Gatewood Family, has established this scholarship to encourage students of the highest caliber to enter a career in the fine arts, with special emphasis on arts education. This scholarship will be awarded to an area high school senior (graduating 2023) enrolled in a post-secondary program, majoring in fine arts (music or art, performance or education).
